NEWS FROM THE FRONT OFFICE

Burr.....it is getting cold outside! The weather has changed and it is time for coats, gloves, warm socks, boots and hats. Be sure your child is dressed for the weather- layering your child's clothing is a great option this time of year. The children will continue to have recess during the winter months. Please remember to label coats, hats and gloves. This helps reduce the amount of lost items. All lost and found items will be on display (down the main front hallway) the last week of school before Winter Break. Any items left after December 16 will be donated to a local charity.

If you change your telephone and/or cell phone numbers please inform the front office. The same goes for emergency contact names and phone numbers. You could send an email with the changes to Trish.Vagneur@d51schools.org. Thanks in advance.

NEWS FROM PRINCIPAL

Celebration of Learning! We are having an event on Jan. 30th at 6:00pm where students are going to share some aspects and innovations of the D51 Learning Model. Each grade level will have a topic or type of learning to present. Please plan to bring your learners and celebrate their good work by seeing and hearing what they have created and learned. Our PTO is providing cookies and Cocoa. Watch for more details about this fun event in school emails.

Award statement from the D51 foundation:

"It is with great pleasure the District 51 Foundation recognizes the outstanding job Broadway Elementary has been doing in academic growth. We will be presenting your school with the 2018 Outstanding School for Student Academic Growth Award. We congratulate you on the results of the 2018 Colorado Measures of Academic Success (CMAS) PARCC assessments. Your school showed significant growth in math."

It is always good to be recognized for our Teachers' and Learners' good work. We will be presented with the growth award at the D51F White Iced Celebration on Feb. 3rd. There is a notice of that event in this Banner. This event is the main fundraiser for the D51 Foundation. The foundation does excellent work in supporting schools and students. To get tickets to the White Iced Celebration, go to the foundation's website: www.d51foundation.org.

NEWS FROM PE DEPARTMENT

Broadway Elementary is participating in a very special community service program to raise funds for the American Heart Association. We're joining in the fight against our nation's No. 1 and No. 3 killers – heart disease and stroke.

On Thursday, February 8th, and Friday, February 9th, our school will hold a Jump Rope for Heart event for first through fifth grades. These events are held nationwide and help students learn about the benefits of regular physical activity and heart health while they raise funds to support vital research and educational programs.

Fundraising packets will be sent home with students during their physical education classes on Monday and Tuesday, January 29th and 30th. The completed packets must be turned in one or before **Friday, February 9th**. The money we raise will help people in our community learn how to avoid heart disease and stroke and live longer healthier lives. The school will also qualify for gift certificates for physical education equipment based on the amount we raise. Students will receive thank-you gifts based on the amount they collect. Family and friends are welcome to support your child's participation by making contributions. However, we ask that children do **NOT** go door-to-door or ask strangers for donations. Supporters can also donate online at www.americanheart.org/jump and all checks should be made payable to the American Heart Association.
